It is recommended that you call your insurance carrier and review your coverage. You will be responsible for co-payments, deductibles and coinsurance portions as determined by the policy plan. Furthermore, you will be accountable for tracking your benefits and for payment of all uncovered services.

I understand that I will be responsible for payment of physical therapy services rendered for my child in the event that my insurance carrier determines that 1) the services were not medically necessary, 2) my child is not eligible for coverage and 3) physical therapy benefits are not covered by my insurance carrier.
